

Professional Mobility & Medical Supplies

June 20, 2016

Dear Valued Clients,

The staff at Professional Mobility is dedicated to helping our customers find better solutions to improve their independence. Home Health Care is an ever-changing industry with new and exciting products frequently being introduced. It is our commitment to provide the most current information and products to our clients. We are happy to provide you with necessary information on sales, service, rentals, and funding options.

Our goal is to provide each client with exceptional service and to provide them with the necessary equipment to enhance independent living and mobility. In home visits and demonstrations are available at no extra cost to those unable to visit our show room. At Professional Mobility we also provide rental equipment to our clients that may need assistance temporarily. We provide delivery, pick up, and setup on all of our home care products. Our friendly staff are happy to assist you.

Your safety is our priority. We deal with proven manufacturers so you can be sure that the product you are receiving are safe and reliable. We are dedicated to providing excellent service and have been serving Southwestern Ontario for more than 25 years.

Sincerely,

The Staff at Professional Mobility & Medical Supplies
